

Reverend Gregory, DD — Press one-sheet

I'm Still Proud · Front Porch Truths · 30A Records

Released September 12, 2026

I'm Still Proud is out today.

Porch soul for ordinary days. Grateful. Upright. Not a parade.

One hung flag. One fading porch.

I'm still proud to stand on this ground.

I don't need it perfect. I just need it free.

This is the door on Front Porch Truths, first single from 30A Records.
